Recycling for RI Education Trial Offer

We invite you and your program staff to explore a unique educational materials resource that will benefit your program

(Located on Spooner Street just before 1237 Elmwood Avenue)

\$10 DAY PASS

Sample of materials available include markers, pens, Mylar felt, fabric, foam, used for creative teaching and learning

Since 1992 Recycling for RI Education has supported youth programs with tons of **valuable donated materials from businesses**. A visit to the Recycle Center will convince you that your program will benefit from a wealth of valuable but inexpensive hands-on creative supplies. Materials distributed at 30 cents per pound.
